

INFORMATION LETTER

Tajik National University invites you to participate in the International Conference «Science and Education: Development Trends in the Information Society», dedicated to the «75th anniversary of the Tajik National University.

The conference will be held in the following sections:

1. Current state and development of natural and exact sciences.
2. Actual problems of the humanities in the information society.
3. Aspects of the development of economic sciences: theory, methodology, practice.
4. Management of the quality of education in a modern university.

Requirements for the design of the conference materials:

Submitted articles must be well edited and meet the following requirements:

- the first line – the title of the article (in capital letters) in bold – center alignment; second line – Initials, author's surname (bold italics), academic degree, title, place of work, center alignment; the third line is the main text, no more than 6 pages, typed in a Microsoft Word text editor, Times New Roman or Times New Roman Tj font, size 14, line spacing – 1,5. Margins: left – 3 cm, right – 1,5 cm, top and bottom – 2 cm. Tables in the text must be made in Microsoft Word (not scanned, not in the form of a picture). Tables should be located within the working area. Formatting of table numbers and their names: regular font, size 11, center alignment. The contents of the table are regular font, size 11, single spacing. Pictures are placed within the working field. Images in JPEG and GIF formats are allowed. Figures must be able to move within the text and be resizable. The scanned image used in the text must have a resolution of at least 300 dpi. Caption under the figure: formatting of the name and number of the figure – regular font, size 11, center alignment, single spacing.

Due to the fact that the materials of the conference will be published and placed in the RSCI, we ask you to write an abstract for the submitted articles, keywords in Tajik, Russian and English.

Dear Colleagues! Please note: the editorial board of the collection reserves the right not to include in the collection articles that do not meet the requirements (including the volume of text, the design of tables and illustrations).

The transport costs of the conference participants are borne by the sending party. The costs associated with the accommodation and stay of the conference participants are borne by the organizer.

Conference working languages: Tajik, Russian and English.
